Mr. Sunil Jain (Tony)

President (Shri Agrasen Shikshan Samiti, College)

Dear student welcome to Agrasen Girls College. An institution of academic excellence and achievement was established in 1999 it is amongst one of the first college with in the Atal Bihari Vajpayee University Bilaspur. At Agrasen College we are imparting higher education to young girl in India as we know girls are that part of humanity that carries of all positivity in a society. They are the one whose presence itself in an ambience full of chivalry, decency and pleasantness. We believe that women education is very important for the country to fully develop. Women education is a big opportunity for India to be developed socially and economically. Educated women endures positive impact on the Indian society through their contribution at home and professional field. They are the reason of improved economy in the country as well as society.

Apart from striking advancement in academic achievements our college also Natures students with good and proper's attitude and values. The formal and informal curriculum on language, mathematics, science and physics development provided by our college had developed students multiple intelligence and aptitude for lifelong learning. Our college offers countless opportunity for students to take part in all sorts of co- curricular activities and community services to broaden their exposure and insight.

I have a strong belief to promote harmony dedication and a win-win scenario for everyone in our college. I always set students benefit to be first priority. Our College will focus on promoting a high level of learning culture. Resource will be furnishing an inviting place and environment for learning. College policies will confine to streamline the academic and co-curricular activities for all rounded development of our students.

It is the urge for excellence and the desire to achieve the best that propel us to constantly and consistently assess, evaluate and analyze the past achievement and also set new higher standards of excellence in field of women education. With the highly qualified dynamic and multitasking faculties, excellent infrastructure and upgraded facilities. Our college has achieved outstanding success and acknowledges as aspiring center of Excellence.

My best Wishes to the new student entering Agrasen Girls College Korba.

Mr. Pawan Agrawal

Secretary (Shri Agrasen Shikshan Samiti, College)

Education is a very important factor for the development of a human being. Education is a process of awakening individual potential to creative knowledge, but more importantly enlightening students with the wisdom. I believe that every student of our college hold tremendous power, confidence and enriched with a sense of high morality and social responsibility will be makers of virtuous society. our colleges offers DCA, BCA, & PGDCA programmes with fully equipped computer labs, E- Library and fully wi-fi campus. As we believe, in education technology provides students with instant access to a vast amount of information are resources. The internet and digital tools allows students to explore various subjects, conduct research and access educational materials for their best academics performances. We are having SUG programmes and 4PG programmes with responsibility- of nurturing their curiosity, igniting their minds to pierce the skies. College gives due importance to co-curricular and extra- curricular activities. Mathematics research centre has established in our college, as it creates experiential education opportunities that enrich the students' experiences enhances their interest towards research and provides transferable skills that make our students more competitive in the job markets. College also conducts personality development programmes, guest lectures in general and technical areas for improvement of our students and faculty. Training and placement department of our college helps students in making them aware about the various job opportunities in their respective fields with the aid in advantage for employment. Our college believes that every learner is a blessing and moving ahead, chiselling of their personality is the ultimate aim of education. For accomplishing this, we provide an environment for them where values are at the core along with the chance to grow and shine. Of course, academics and co- curricular activities go hand in hand to enable them to scale the summit of success. We will be pleased if we receive any suggestion regarding our improvement.

Dr. MANOJ KUMAR JHA

Principal (Shri Agrasen Girls College)

Dear Students, in this era of cut throat competition, it is of paramount importance to be equipped with appropriate knowledge, habits, attitudes and values leading to holistic development. Co-curricular and extra-curricular activities organized by various clubs and societies facilitate the process of creative and critical thinking. They not only inculcate social and moral values, compassion of nature, pride for Indian culture and tradition and awareness for one's rights and duties but also make students good human beings and confident leaders. I intently believe that you would develop versatile personality during your stay in this temple of learning. To be successful in life, have ambitions and define your goals clearly. Discipline and hard work is the key to success. Be regular in your classes and focus on your goals. Your concerted efforts with the able guidance of your teachers would definitely provide you a blissful and successful life. I, on behalf of Agrasen Girls college family welcome all the students and wish you all the best for achieving greater success and scaling new heights in the coming session.

With blessing and warm wishes!

Embracing Wellness: International yoga day Celebration

International yoga day is observed by our college every year on June 21 to raise awareness about the physical and spiritual benefits that yoga offers to society. We believe that yoga positively changes the lifestyle of people and increases the level of well-being. It was attended by the Shri Agrasen Girls College Shikshan Samiti members, Principal, Professors and students with great enthusiasm.

Campus Placement

Shri Agrasen Girls College had robust training and placement on campus. A dedicated placement team, led by a well-qualified principal, operates the Training and Placement cell to ensure that students secure positions in reputed companies nearby. Continuous training was provided to equip students with communication skills, confidence-building, interview techniques, and presentation skills, facilitated by experts from our college. Our goal was to get our students placed in good companies, and to achieve this, we invited many esteemed organizations that actively cooperated with our college. In our campus placement 94 students were selected with impressive salary packages.

We can proudly say "We give our students opportunities and our students turn these opportunities into Appointment letter"

Cultural Views of AGC

In this high tech world, every student wants to acquire knowledge in every field to stay updated. Co-circular activities play a vital role in the life of students. Read on to know how.

Social Benefits:

Extracurricular activities increase opportunities for social interaction and new relationship development. As most of these activities are group oriented which have students from different niches, which gives them a chance to more know about people of different passions and cultures. Besides, this they can also find clubs or groups that share similar social, religious or even entertainment interest for socialization. Interaction with people of different backgrounds helps in development of interpersonal skills of students.

Practical Benefits:

Extracurricular activities teach students how to work for a common goal and this ultimately develops a sense of responsibility in them. It increases the level of confidence and also teaches them how to co-operate and work with people in different conditions.

Educational Benefits:

Most of the employers love to hire people who are all rounded. Sustained involvement in more than one activity reflects the talent and potential of the student.

Educational Tour

Educational Tours provide a rich immersion experience to our girls, fostering tremendous learning opportunities. During our educational tour to Visakhapatnam, Situated on the east coast of Andhra Pradesh, students had the golden opportunity to explore the gem of South India, The city Seamlessly blends modern and traditional elements, offering unmissable charm, breathtaking scenery, and unseen wonders that inspired our students to explore beyond the confines of the classroom.
